YOUR QUESTIONS ANSWERED

Q1. What type of pension is the EPS?

A personal pension plan which is also a qualifying workplace pension scheme.

Q2. What is a personal pension plan?

An investment vehicle, with the primary purpose of building a capital sum to provide an income in retirement.

Q3. Who manages the EPS?

Chester Rose Financial Planning – the scheme administrators – your point of contact

AVIVA – the product provider

Q4. Why Chester Rose & AVIVA?

Chester Rose (formerly Hencilla Canworth) designed the EPS based upon Equity's initiative. Aviva is one of the largest pension providers in the UK.

Q5. How can the EPS work for me?

1. You can benefit from contract related contributions
2. You can make personal regular contributions
3. You can make one-off payments

Contract related contributions are deducted directly from your salary by the Production Company. You do not have to be an Equity member to join the EPS.

Contributions from a contract will establish your EPS – Category 1 plan, whereas EPS – Category 2 is established from a direct debit and one-off payments. Therefore, it is possible for your EPS to have a Category 1 and Category 2 in place. This does not incur additional charges or dilute investment performance but it does provide clear detail on the contributions each source, contract or person has received.

Q6. How do I join?

ONLINE: [Click here to submit the form.](#)

You'll receive your EPS membership number shortly after registering.

Q7. Is the EPS available to all members of Equity?

In theory yes, but there are factors to consider:

- If you are aged 16 to 74 and resident in the UK at the time of registration, then you will be eligible.
- If you are under 16, you are still eligible but we need your parents'/guardians' involvement.
- If you are 75 years or over then you are not eligible – HMRC rules, not ours.
- If you are not a UK¹ resident, or in the process of applying to become one, at time of registration, you are not eligible.

Q8. Where is my money invested?

In the Aviva Pensions Multi-Asset Fund Sustainable Stewardship 1 Fund Series 6. However, there is a wide range of funds available including ethical and sustainable options and these can be viewed on the [Aviva website](#).

Q9. I already have another personal pension

This is fine, you can have as many Personal Pensions as you like.

Q10. When can I benefit from my EPS?

Currently from age 55, increasing to 57 in April 2028. Depending on how you take the benefits, certain limits may be applied to future contributions.

Q11. If I die before I retire?

100% of your fund is paid tax free to your estate or nominated beneficiaries.

Q12. How will production companies' contributions affect my Income Tax?

As they are treated as an enhancement to your salary they will form part of your gross income and will be subject to income tax. However, when the contributions are paid into your EPS they will receive tax relief at source.

¹ The UK does not include the Channel Islands, the Isle of Man, Gibraltar or the Republic of Ireland.

Q13. Should I detail contributions on my tax return?

We recommend that you do. A schedule of contributions can be obtained from Chester Rose

Q14. What is auto-enrolment – could it affect me?

Yes, it definitely could – [click here](#) for details.

Q15. What are the charges on the EPS?

THEATRE CONTRACTS

HOW THE EPS WORKS IN THE THEATRE

As an EPS member you benefit from a contribution paid by your employers, equal to a percentage of your engagement wage. Details of these and the participating employers are shown opposite and, in general, are higher than if you were auto-enrolled.

To qualify, you agree to contribute from your weekly wage. Again, details are shown opposite.

The employer contribution is added to your wage and then deducted together with your personal contributions.

There is no need for a direct debit or chance of spending the contributions by mistake as both yours and the employer contributions are sent directly by the employer to AVIVA, for investment on your behalf.

Once with AVIVA, basic rate tax relief is added.

A theatre example (SOLT) based on a wage of £600.00 per week

| | |
|---------------------------------|--------------------------|
| Your contribution | £18.00 per week |
| Manager contribution | £30.00 per week |
| Total net contribution | £208.00 per month |
| Total gross contribution | £260.00 per month |

Over a month, you would have paid approximately £78.00, but a monthly investment of **£260.00** is achieved.

In some circumstances caps will apply to the maximum a manager will contribute. Contact us for further information if needed.

TV, RADIO & FILM CONTRACTS

HOW THE EPS WORKS IN TV

Basically, the same as for theatre, but your contributions will be based on either your episode fee or weekly fee, whichever basis brings you the most benefit.

A television example based on a fee of £1,000.00

| | |
|---------------------------------|---------------|
| Your contribution | £25.00 |
| Manager contribution | £50.00 |
| Total Net contribution | £75.00 |
| <hr/> | |
| Total gross contribution | £93.75 |

You would have paid £25.00, but an investment of **£93.75** is achieved.
